WHAT IS DONE

AND HOW IT WORKS

IT'S ALL ABOUT USER EXPERIENCE

- ▶ present videos the user should also see (help to find content)
- ▶ interact and entertain (play with the sofa environment)
- ▶ design direct feedback channels (user generated recommendations)
- ▶ order and sort personally (remember what i've seen)
- ▶ curated stream sets (see recommendations from "Freakshow")
- ▶ ... concept your ideas of how to become an entertaining program
